Reviewed Summer 2015

Next Review Summer 2017

Context

Boscastle and Port Isaac Primary Schools welcomes visitors from the local community and from a variety of outside agencies to promote learning and wellbeing through their experience and expertise.

Rationale

- The safety and security of all students and staff.
- The safety and security of all visitors.
- Enhancement and enrichment of the on-going curriculum through specialist expertise.
- Effective partnerships are developed with appropriate agencies, which contribute to the welfare, wellbeing and learning of the school community.

Safeguarding Statement

To be read in conjunction with the School Safeguarding Policy

The health, safety and wellbeing of our children and staff is of the utmost importance to the school. The full co-operation and support of all staff is expected in implementing our Visitors Policy & procedures.

All visitors to school will be welcomed in a cordial, confidential, efficient and purposeful manner. They will be asked to state the purpose of their visit and to confirm their status, by producing verifiable documentation. If there is any doubt as to the authenticity of this information, they will not be allowed entrance to the building and the Headteacher, or a member of the management team will be informed. The latter person may then contact the authorities, if he/she deems this necessary.

All volunteer helpers and any individual employed on a short term basis to work with pupils must, like all staff and Governors, have a valid Disclosure Barring Service (DBS) check. Visitors who are in school for a "one off" visit, perhaps to talk to a class, attend assembly, observe a lesson or tour the school do not require a DBS check, but must be accompanied throughout the visit.

Staff from agencies including charities coming to school to work with children must have completed a DBS check. Where appropriate a 'Letter of Assurance' will remain on file. Where appropriate staff from other agencies may be permitted to work alone with children, this would typically include Social Services and NHS staff.

Visitors

A visitor is defined as any person seeking to enter a school building who is not an employee of the school district or a student currently enrolled in that building.

General Procedures

- All visitors must report to school reception to sign in.
- All visitors moving around the school site must wear a visitor's badge.
- Visits may be prohibited at certain times e.g. while standardised testing or other assessments are being conducted
- All visitors must be made aware of emergency procedures by the member of staff supervising

their visit.

- All school visitors must comply at all times with the School's policies, administrative rules and regulations.
- Any visitors on site who are not recognised, or who are not appropriately "badged" should be politely asked their business.
- Pupils should be encouraged to report immediately any visitor who is not "badged".

General Visitors (parent helpers, volunteers, governors, CC personnel, work experience placements, student placements)

Visitors will be welcomed at Reception, asked to sign in and then issued with a Visitors Pass. Basis Health & Safety information is given, this includes what to do in the instance of a fire.

If a member of staff is expecting a visitor it is best practice to give the school secretary as much advance notice of the visit as possible, so that there is someone in the main office waiting to greet the visitor.

Where possible visitors will be escorted whilst on the school premises. Wherever possible it is expected that the relevant member of staff will collect the visitor. However, if required, the school secretary or a helper, will escort the visitor to the relevant member of staff.

When a visitor is ready to leave, it is best practice for the member of staff to escort the visitor back to the main office, where the signing out process can be completed.

Exemption to general Visitor Requirements:

Parents or visitors who have been invited to visit school as part of a scheduled open house, special event, scheduled performance by a class, team or group, or other adult participants in organised and school approved activities during off-school hours are exempt from requirements.

Any performing arts group contracted for a performance

The same General Visitors procedures are to be followed for all performing artists. The Specific Guidance/Checklist (see below) must be followed by all staff. The school must ensure that the company has public liability insurance to a value of at least £5 million. At least one teacher must be present throughout the performance.

Any representative of a commercial organisation or a charity

The same General Visitors procedures are to be followed for all commercial or charity representatives. If a representative is visiting the Headteacher or a member of staff, they are covered for insurance purposes as any other visitor. If the representative is carrying out a demonstration of some sort the school must check to ensure that their organisation has public liability insurance. The Specific Guidance/Checklist (see below) must be followed by all staff.

Contractors

All contractors visiting the premises to undertake works, will be signed in and then issued with a Visitors Pass. The contractor will review and sign the Asbestos Register. Wherever possible they will be escorted to the appropriate area by the Headteacher or another member of staff.

If the school has contracted the works, the Headteacher or secretary will check that the company has public liability insurance of at least £5 million. If the work has been arranged by the Council's Framework Contractor then it is their responsibility to obtain insurance details.

Delivery/Courier Personnel

If appropriate, deliveries will be restricted to the Main Reception Area, office and kitchen. However, if deliveries are being made further into the school building, the delivery personnel involved, will have to sign and follow the same procedures as general visitors or be accompanied by a member of staff.

Confidentiality

Sometimes visitors support the work of children in school. It is important that our visitors respect the need for confidentiality. Issues overheard or discussed referring to children and staff should not be discussed outside school.
